RUNZHE YANG

299 Luojia Hill Rd., Wuchang District, Wuhan, Hubei, China

runzheyang2020@whu.edu.cn

OBJECTIVE

A junior undergraduate student at the School of Mathematics and Statistics, Wuhan University, majoring in Statistics and Probability, seeking for some research opportunity in Summer, 2023.

EDUCATION

Wuhan University(WHU)–School of Mathematics and Statistics
Bachelor of Statistics   Sep. 2020 - June 2024 (expected)
Overall GPA:3.73/4.0(89.1/100)(2020 Fall–2023 Winter)

RESEARCH INTERESTS

My primary research interests lie on the area involving Probability and Analysis, like Stochastic Analysis, SPDEs and Stochastic Process. Recently, Percolation Theory and SLE arouse my interest as well.

HONORS AND AWARDS

- First Prize, the 13th China National Mathematics Competition for College Students   Dec. 2021
- Winner's Prize, the 13th S.-T. Yau College Student Mathematics Contest, Statistics and Probability track
  Jul. 2022
- First Class, WHU Outstanding Mathematics Student Scholarship, 2021-2022 academic year   Nov. 2022

STANDARDIZED TEST

TOEFL iBT: 92(R:28, L:22, S:18, W:24)

TECHNICAL PROFICIENCIES

- **Computer:** C/C++, R
- **Languages:** Chinese, English
